Microsoft provides this material solely for informational purposes. Customers should refer to their agreements for a full understanding of their rights and obligations under Microsoft's Volume Licensing programs. Microsoft Software is licensed, not sold. The value and benefit gained through use of Microsoft software and services may vary by customer. Customers with questions about differences between this material and the agreements should contact their reseller or Microsoft account manager. Microsoft does not set final prices or payment terms for licenses acquired through resellers. Final prices and payment terms are determined by agreement between the customer and its reseller. Eligibility for Software Assurance benefits varies by offering and region and is subject to change. The Terms and Conditions of your Volume License Agreement and the Terms and Conditions under which any specific Software Assurance benefits are offered will take precedence in any case of conflict with the information provided here. For eligibility and current program rules, see the [Microsoft Product List](#).

SOFTWARE ASSURANCE BENEFITS: ENTITLEMENT SUMMARY COMMERCIAL AND GOVERNMENT OFFERINGS

	BENEFIT	BENEFIT SUMMARY	ELIGIBILITY SUMMARY
NEW PRODUCTS	New Product Versions	Provides new software version releases so you have access to the latest technology.	Every license covered under Software Assurance may be upgraded to the newest version.
	Step-Up Licensing Availability	Enables you to migrate your software from a lower-level edition to a higher-level edition, such as Office Standard to Office Professional Plus, at a low cost.	To get a Step-up license, you need a license for the qualifying, lower-level product. For current details, refer to the Microsoft Product List at http://www.microsoft.com/licensing/productlist/ .
	Microsoft Desktop Optimization Pack (MDOP)	Provides a set of innovative technologies including application virtualization, asset management, policy control, and diagnostics and recovery tools.	You may subscribe to MDOP when you have active Software Assurance coverage on eligible system products.
	Windows® 7 Enterprise	Helps organizations increase desktop productivity by enabling standardization, improved security features, and multi-language support.	For every Windows license covered under Software Assurance, you are eligible for one Windows 7 Enterprise license.
	Planning Services	Provides structured planning services from Microsoft partners to enable efficient deployments of Microsoft application, system and server products, and cloud services.	You receive a number of Planning Services days based on the number of qualifying Office Application, CAL Suite and Server products with Software Assurance coverage.
DEPLOYMENT	License Mobility through Software Assurance	Enables you to deploy certain server application licenses on-premises or in the cloud by assigning your existing licenses to an authorized service provider's server farm.	You may utilize License Mobility when you carry Software Assurance on eligible server application products.
	Windows Virtual Desktop Access	Allows a licensed device to access virtual desktop infrastructure and allows the single, primary user to remotely access their desktop from third-party devices such as home or contractor-owned PCs.	You may utilize Windows Virtual Access Use Rights when you carry Software Assurance for Windows on qualified devices.
	Windows Thin PC	Helps you to lower the end point cost for VDI by providing an enterprise ready platform to repurpose existing PCs as thin clients.	You may utilize Windows Thin PC when you carry Software Assurance for Windows on qualified devices.
	Office Roaming Use Rights	Allows the primary user of a licensed device to remotely access Office, Project, and/or Visio via a virtual environment from a third-party device such as a home or contractor-owned PC.	You may utilize roaming use rights when you carry Software Assurance for Office, Project, and/or Visio on qualified devices.
	TechNet Benefits through Software Assurance	Gives IT staff access to experts, technical information, plus beta and final versions of products for testing and evaluation.	For each eligible server product with Software Assurance one person within your organization gains access to TechNet's Online Concierge Chat and Managed Forums. You also receive a single complimentary subscription to TechNet Professional Subscription.
TRAINING	Microsoft Office Multi-Language Pack	Enables IT to deploy a single Office 2010 image with support for 37 languages.	You may use the latest version of the Office Multi-Language Pack for the Office system products you have with Software Assurance.
	Training Vouchers	Provides in-depth technical classroom training for IT professionals and developers.	You receive a number of Training Days based on the number of qualifying Office and/or Windows licenses covered with Software Assurance.
	E-Learning	Offers self-paced interactive training designed for end-users and IT professionals, delivered via Internet or Intranet.	For every qualifying license (such as Office Word or Windows 7) covered by Software Assurance, one person in your organization may access E-Learning courses for that product.
	Home Use Program	Provides employees with the latest version of Microsoft Office for their home computer, via low cost download.	For each Office Application you have covered with Software Assurance, a user of the licensed PC or device may acquire at a low cost one copy of that product for use at home.
	SUPPORT	24x7 Problem Resolution Support	Provides around-the-clock phone and web incident support for Microsoft server and desktop products.
Extended Hotfix Support		Provides specific product fixes on a per customer incident basis, beyond the standard product support.	While annual fees normally charged as part of an Extended Support agreement are waived, to receive this benefit you must have SA coverage for the related product pool and a Premier Support Agreement in place.
SPECIALIZED	Cold Backups for Disaster Recovery	Provides licensing for servers used as offline ("cold") backups for disaster recovery purposes.	For each qualifying server license you have with Software Assurance and related CALs, you may run one instance of the software on a "cold" server for disaster recovery purposes.
	Enterprise Source Licensing Program	Provides access to Microsoft Windows source code for internal development and support.	To receive this benefit you must have SA coverage for all of your purchases under the systems product pool and have at least 1,500 desktops covered with SA.
	Spread Payments	Payment for license and Software Assurance may be spread across three equal, annual sums.	Available on all Volume Licensing programs, except Open License.
